Your trust is very important to us. This means the BBC is committed to protecting the privacy and

BBC Creator Lab Talent Scheme Privacy Notice

The legal basis on which the BBC processes your personal data is the performance of its .
The BBC's role is to act in the public interest and to serve all audiences with content which informs, educates and entertains. As outlined in the BBC's Royal Charter, one of the public purposes of the BBC is:

"To reflect, represent and serve the diverse communities of all of the United Kingdom's nations and regions and, in doing so, support the creative economy across the United Kingdom: the BBC should reflect the diversity of the United Kingdom both in its output and services. In doing so, the BBC should accurately and authentically represent and portray the lives of the people of the United Kingdom today, and raise awareness of the different cultures and alternative viewpoints that make up its society."

If you chose to share that you have a disability used for statistical purposes, the additional lawful basis on which we process this special category data is

BBC Creator Lab Talent Scheme Privacy Notice

Your personal data will be stored in the UK and the EEA and the USA. Where your data is processed outside the UK and the EEA, the BBC will ensure that it is protected to the same standards as if it were being processed within the UK and EEA.

You have the following rights under data protection law:

You can request access to the personal data BBC stores about you.

If your personal data is inaccurate, you have the right to have the data corrected.

You have the right to ask for the personal data we collect about you to be deleted, however there are limitations and exceptions to this right which may entitle the BBC to refuse your request.

In certain circumstances, you have the right to object to the processing of your personal data or to request restriction to the processing of your personal data.

You have the right to ask that we stop sharing the personal data to you or to another organisation, in certain circumstances.

You can contact the BBC's Data Protection Officer if you have questions or you wish to find out more details about your rights, please read the [BBC's Privacy and Cookies Policy](#)

[Contact BBC Studios DPO](#). If you wish to find out more, please read the [BBC Studios Privacy Policy for Contributors](#)

If you have a concern about the way the BBC or BBC Studios have handled your personal data, you can raise your concern with the supervisory authority in the UK, the Information Commissioner's Office (ICO)

We will revise the privacy notice if there are significant changes to how we use your personal data.
