

Dating: video a

Are you looking for a mate? 3 boys and 3 girls are going to a speed dating event. Sovannae hopes to find a partner.

Nathalie: "Er... why are you here?"

Sovannae: "Er... because I am single, so I'm looking for a Mr. Right. So that's why and also to meet more people perhaps, just to go out and to have a meal!"

Nathalie: "What's your type of man?"

Sovannae: "So what's my type ? He has to be patient, kind and calm. That's all. Er, physically I'm not too bothered!"

Nathalie: "Are you free this evening?"

Sovannae: "Yes I am free tonight."

Philippe: "Well good evening everybody and welcome to this turbo-dating evening, an evening for you to meet lots of people!
You have ten minutes to talk to a person and when the bell rings you change person.
That means the girls stay in the same place, but the boys will have to change seats. Ready!"

Girl: "Er, I'm quite energetic and sporty, I'd say. It's important that I do sport, that's me."

Boy: "What kind of sport?"

Girl: "I practise a martial art"

Boy: "Which one?"

Girl: "Kung Fu."

Boy: "Ok."

Boy: "What do you like watching on TV?"

Girl: "Most things."

Boy: "Hmm...most things?"

Girl: "But I don't watch TV that much as I don't have much time."

Boy: "And what star sign are you?"

Girl: "Aries with an Aries ascendant. And you?"

Boy: "Me - I'm a Aquarius with a Capricorn ascendant."

Girl: "OK. What kind of music do you listen to?"

Boy: "I like mainly electronic stuff, techno, house."

Girl: "I'm the same."

Boy: "I like electronic music nights now and then"

Girl: "OK, you like those kinds of parties?"

Boy: "I also like raves a bit."

Girl: "And what are you like?"

Boy: "Er...I'm quite curious about life, er...quiet I'd say.

A bit eccentric too. Er...what kind of music do you like?"

Girl: "Er...I like, I really like mainly reggae, old French songs, rock, quite varied actually."

Boy: "OK."

Boy: "Well I also love travelling and you...do you like that?"
Girl: "Who doesn't love travelling! - I love it!"
Boy: "So you've already done a lot of travelling?"
Girl: "No, no, not up till now, just in Europe in fact."
Boy: "OK."
Girl: "Maybe later, I'll go further."
Boy: "Yeah, OK. Other than that, what do you watch on the television?"
Girl: "Hmm...Not a lot but I do tend to watch the soaps."
Boy: "Yeah."
Girl: "Otherwise I like to go to the cinema."
Boy: "The cinema, OK."
Girl: "To see really good action films."
Boy: "OK."
Girl: "There you go."
Boy: "Well that's good, so you see...we have...we have lots of things in common then."
Girl: "You think so?"
Boy: "I'm sure we'll get on!"
Girl: "Great!"
