

BBC Third Party Information Security Requirements – non-BBC data

Last reviewed: 14/03/2023

Policy owner: Chief Information Security Officer

Department: BBC Information Security

Summary

This document sets out the minimum security requirements expected of third party organisations who provide services or information to the BBC but do not process or store BBC information.

Audience: This document applies to all third parties and staff, including contractors, temporary staff and suppliers hired by the third party organisation.

3. Human resources security

- 3.1 The Third Party must ensure that information security roles and responsibilities of all employees and contracted individuals are
